

STUDENTS

IN TEMPORARY HOUSING

OUR GOAL

To support families and students in an effort to counteract disruptions that result from the loss of stable housing.

ABOUT US

We empower communities by partnering with school districts, schools, and CECs. Our focus is on supporting family-facing staff and enhancing parent engagement to foster academic success.

DATA-DRIVEN STH PLANNING

Making Informed Decisions for Better Outcomes

Assist schools and school districts in using their data to plan and craft projects that provide essential services at the start of the school year. We believe in making proactive, informed decisions to support families and student well-being before the school year begins.

BEST PRACTICES

Implementing Policies for Maximum Positive Impact

Assist schools and districts in adopting and executing best practices for using STH funds. Support in the implementation of policies that are followed to maximize the impact of available resources.

FAMILIES NEEDS ASSESSMENT FOLLOW-UP & SUPPORT

Pinpointing What Families Need the Most

Review surveys and analyze data to pinpoint the specific needs of homeless students. Support and ideate on projects to have resources directed to have the most impact.

COMMUNITY PARTNERSHIP BUILDING

Building Strong Local Partnerships

Develop relationships with local vendors to offer comprehensive support packages for homeless students. Leverage community resources for maximum impact, using technology to track and manage these partnerships effectively.
